

# ARCHIVING SOLUTIONS

EXPERTISE. INTEGRITY. RELIABILITY.

 **QUALITY ASSURANCE  
CONSULTANCY**

A DIVISION OF QUALITY ASSOCIATES, INC.  
A KONICA MINOLTA COMPANY

Quality Assurance Consultancy, a division of Quality Associates Inc., is a leading provider of Good Laboratory Practice (GLP)/Good Clinical Practice (GCP) Archiving Solutions. Since 1986, we have supported companies in the pharmaceutical and agrochemical industries to reduce the time and expense involved in meeting your critical internal and regulatory requirements with state-of-the-art GLP/GCP archives for long-term and temporary storage of documents, research specimens and electronic media.

---

*“Quality Assurance Consultancy did everything—with almost no time or effort spent on our part. We completely trusted their team to manage our assets securely in full compliance with best-in-class standards.”*

— Pharmaceutical Corporation

# SUPPORTING MISSION-CRITICAL INITIATIVES

## EXPERTISE. INTEGRITY. RELIABILITY.

Today, these three qualities matter more than ever. As a long-established provider of *Archiving Solutions*, Quality Assurance Consultancy supports private and public organizations with unmatched teams of experienced, expert professionals. Through our track record, we offer a complete complement of GxP compliant *Archiving Solutions*. You can count on us to:

- Provide industry-recognized approaches backed by archivists who afford you specialized expertise gained through years of experience to support your company's unique requirements.
- Safeguard your material and ensure that its integrity is protected with our facility's sophisticated FM-200® fire suppression and VESDA® early-warning fire detection systems.
- Deliver comprehensive, reliable services with our best-in-class storage solutions that have been validated through regularly scheduled inspections by multiple government agencies.

---

**With our *Archiving Solutions*, we help reduce the time and expense involved in meeting your critical internal and industry requirements.**
